About Our COMPANY

DA International is a Dubai-based interior finishing and contracting firm specializing in turnkey interior design and hospitality projects. We offer comprehensive architectural and interior design services, FF&E supply, and original high-end artwork. With a deep appreciation for individuality and aesthetics, we create tailored interiors that reflect each client's vision and brand identity. Our team combines creative insight with technical precision to deliver refined, functional spaces.

Our work spans hospitality, residential, retail, and cultural sectors across the Gulf region. From luxury hotels and branded residences to multi-unit developments and curated public spaces, we bring projects to life through a fully integrated process—from design development and material sourcing to custom manufacturing and site execution. At every stage, we maintain a strong commitment to quality, innovation, and attention to detail.

From Vision to Reality
DALIA ADEL

With over 27 years of experience in interior design and project execution, Dalia Adel has become a trusted name in the luxury hospitality and residential sectors. As the Founder and CEO of Dalia Adel International, she has played a pivotal role in shaping the company's identity: one that values precision, creativity, and an uncompromising commitment to quality.

Dalia began her career working on some of the region's most iconic properties, gradually growing DA International into a full-service interior contracting firm. Today, her expertise extends from concept creation to turnkey delivery - including FF&E procurement, custom artwork, and site management. She strongly believes great design should not only reflect a space, but also elevate the people who experience it.
